Ask lots of different people…

"Which was your favourite Disco move?"

Fill in your bar chart with the answers.

imoves

Use the information in your bar chart to answer these questions:

Q1. Which was the most popular move?

Q2. Which was the least popular move?

Q3a. Which was the second most popular move?

Q3b. How many more people liked the most popular move than the second most popular move?

Q4a. Which was the second least popular move?

Q4b. How many fewer people liked the least popular move than the second least popular move?

What other questions could we ask about the information in this bar chart?
